

PEOPLE
LAUNCHING
ANNUAL REPORT
2025

IN REVIEW

As we close out 2025, we want to say thank you! Because of your generosity and encouragement, Christian leaders around the world are leading with greater clarity, health, and joy. This year included coaching key leaders, training new coaches, and launching new ministries. Your partnership made this possible, and we're deeply grateful.

What We Do

People Launching helps leaders restore the joy of leadership, clarify their calling, and lead redemptive causes.

We coach pastors, missionaries, nonprofit leaders, and executives so they can grow in character, resilience, and vision. We also offer sabbatical and renewal experiences that create space for rest and clarity.

Our Missionary Launching work in Manchester, U.K. continues to support men and women discerning global ministry. And because we love multiplying healthy leaders, we also train and equip coaches to do this work in their own contexts.

This Past Year

With charitable support, we launched Refresh, a ministry creating space for women leaders to step away and be renewed by God. A team of 10 women hosted two retreats in 2025, with six more already planned for 2026. It's been a joy to watch leaders slow down, be cared for, and return strengthened.

Five-Year Impact

In 2020, we set a goal to coach 400 leaders.

By the end of 2025, we've coached 517 leaders and were able to scholarship over 10% of them because of your generosity. Thank you for helping leaders find clarity, health, and joy.
